* new cables arrived

6x2 DAQ modules/chassis will ship end of next week (May 30)

* need:

- 1) 2 preamp boxes from UT shop.
- 2) wire up cables - need the plugs. Irabli today!
- 3) preamp boards meet with Diane - Irabli → Vince!
- 4) 2 power supplies Michael will build it. ~ 2 wks
- 5) ethernet isolators Michael ordered.
- 6) TTL isolators Michael box input → 4 indiv isolated outputs.
- 7) clock distribution Chris check w/ d+Aeg.

cooling: Ni from building - not allowed?
use for now on.
