**Create on Date: Wed Aug 23 17:38:54 2017**

**Created by: M. McCrea**

**Created from: TBinPlots-WireYields.C**

**Date Source: TTreeRaw(17784)**

**Data Format Info:**

**this file contains the run average wire yield**

**for all time bins of all 144 wires for even odd and.**

**other pulse combinations.**
